

KENTUCKY OUTDOOR INSTITUTE

Waiver/Medical Form

Agreement to Participate; Assumption of Risk and Release

Name _____ Date of Program _____ Name of Group _____

Disclosure:

The Kentucky Outdoor Institute at Asbury University uses a variety of activities including stretching, warm-ups, games, team-building initiatives, high ropes obstacles, rock climbing, canoeing, rappelling, backpacking, caving, and others to elicit experiential learning and positive recreational experiences. Some of these activities can be physically and/or emotionally demanding. Each of the activities is presented upon a "Challenge by Choice" framework, which means that each participant chooses their own level of participation. It must be understood that although the program has been carefully designed for your group and will be operated by well-trained staff, the risk of injury, disability or death cannot be totally eliminated. These risks include but are not limited to: inclement weather; loss or damage to personal property; accidents resulting from climbing, swinging, jumping, falling, water, exposure, exhaustion, fatigue, or other types of outdoor hazards; the hazards of accidents in a relatively remote place; unforeseeable acts of nature and the emotional effects of being in perceived risk.

Release of Liability:

In consideration of the above disclosure, I freely agree to the above risks and assume those risks on my own behalf. I further agree to release, hold harmless, and indemnify Asbury University, its staff members, volunteers, directors, officers and other employee and/or agents from any claims, demands, or causes of action arising from injury, harm or even death as a result of my participation in Kentucky Outdoor Institute activities. I agree not to make any claim or file any lawsuit against Asbury University for injuries or damages related to my participation in activities operated by the Kentucky Outdoor Institute. I also agree to abide by the policies and procedures as set forth by the program.

Informed Consent: COVID-19

The novel coronavirus, COVID-19, is an extremely contagious virus that spreads easily through person-to-person contact. Federal and state authorities recommend social distancing as a means to prevent the spread of the virus. COVID-19 can lead to severe illness, personal injury, permanent disability, and death. Participating in this organization's programs or accessing our facilities could increase the risk of contracting COVID-19. This organization in no way warrants that COVID-19 infection will not occur through participation in our programs or accessing our facilities. Kentucky Outdoor Institute will take every reasonable precaution to reduce the risk of exposure.

Permission to Use Photographs or Video Recordings:

I give Asbury University the right to use any photographs or video recordings created while I (or my child) participate in Kentucky Outdoor Institute activities for publicity and advertising purposes.
